

Biostimulants World Congress

18 - 21 November 2019

Fairmont Rey Juan Carlos I –
Palau de Congressos de Catalunya,
Barcelona, Spain

**DON'T MISS THE WORLD'S LARGEST EVENT
ON AGRICULTURAL BIOSTIMULANTS!**

The Congress is the world's leading event on agricultural biostimulants, which are increasingly used in crop production. It is an international scientific and technical gathering to review the latest knowledge in this field.
